

The Quarters  
at Des Peres

# COMING SOON Dialysis Services

in partnership with

## We are excited to announce NEW dialysis capabilities!

Known for its rehabilitative therapy programs as well as its dedicated and caring staff, we offer top-notch care for patients in need of short-term rehabilitation or a long-term stay.

Concerto's in-house dialysis will soon ensure that residents in need of dialysis services can receive the level of care they need from the comfort of our facility.

Let us help you to determine if The Quarters is the right fit for your prospective resident.

**To learn more about this and other features of our facility, please contact us.**

- Daily treatment
- No need for transport
- Specialized treatment plans
- Customized dialysis schedules
- Increased comfort and convenience
- Expert support
- More freedom and control
