

The Quarters
at Des Peres

NOW OFFERING Dialysis Services

in partnership with

We are excited to announce NEW dialysis capabilities!

Known for its rehabilitative therapy programs as well as its dedicated and caring staff, we offer top-notch care for patients in need of short-term rehabilitation or a long-term stay.

Concerto's in-house dialysis will ensure that residents in need of dialysis services can receive the level of care they need from the comfort of our facility.

Let us help you to determine if The Quarters is the right fit for your prospective resident.

To learn more about this and other features of our facility, please contact us.

- Weekly treatment
- No need for transport
- Specialized treatment plans
- Customized dialysis schedules
- Increased comfort and convenience
- Expert support
- More freedom and control
