

Missouri's Only AHA-Certified Skilled Nursing Facility

Lansdowne Village is proud to be the only skilled nursing facility in Missouri certified by the **American Heart Association®**. This distinction reflects our commitment to delivering exceptional, evidence-based care for individuals recovering from cardiac-related conditions.

Our AHA certification demonstrates that Lansdowne Village meets rigorous standards for quality, safety, and clinical excellence. This gives patients, families, and referral partners confidence in every transition of care.

Why Choose Lansdowne Village?

- ✓ The only AHA-certified skilled nursing facility in Missouri
- ✓ Specialized post-acute and rehabilitation services
- ✓ Patient-centered care in a supportive, healing environment
- ✓ A trusted partner for hospitals, physicians, and families
